Are you interested in becoming a SASSY LIL' SECRETS Professional Distributor but aren't quite sure what the compensation could bring to you or why you need Sassy Lil' Secrets when you are already doing fine? We have kept it simple for you, here is why!

**DISCOUNTS ON ALL PROFESSIONAL PRODUCTS YOU ARE ALREADY PURCHASING!** As soon as you have been approved to become a SLS Professional Distributor you qualify for the amazing discounts on all the SLS professional sunless product line as well as our retail products for your personal orders! This includes all the professional sunless tanning solutions that SLS is known for that your customers will absolutely love! ♥

### **A BRIEF SUMMARY OF SASSY LIL' SECRETS PROFESSIONAL DISTRIBUTOR COMPENSATION:**

**1. 40% COMMISSION RIGHT AFTER YOU SIGN UP ON YOUR SALES.** You do not need to hit any specific number to receive the 40% commission on retail products. That is right, 40%! We want to compensate you for your hard work and share the profits with you! Enjoy 40% commissions on your direct sales as soon as you become a SLS Distributor, with no cap to how much you can earn!

**2. EARN 20% COMMISSION EACH MONTH WITH A DOWNLINE TEAM.** This is the first time that a SUNLESS PROFESSIONAL has been offered an opportunity to build a team of Sunless Junkies just like them! It is not REQUIRED to build a team, however, if you are interested in creating an amazing team, working together with other sunless beauty junkies, and reaching even more people to share these amazing SLS products, you will receive 20% on all your teams retail wholesale orders too. Your team can be anyone that shares the same excitement for the SLS products as you do, a professional already in the spray tan business or a neighbor that just loves the SLS Professional Sunless Tanning Mousse! There is NO LIMIT to the size of your team and no cap to the commissions that you earn from their sales. Again, we want to share the profits with you!

### **WHAT IS REQUIRED TO BE A SLS DISTRIBUTOR?**

The only requirement to be a SLS Professional Distributor is purchasing (1) product from our catalog each calendar month (at your discounted rate of course). Why? To be honest, we want individuals that believe in our product. We want those that are proud to use it and proud to share it with others. By purchasing this (1) product it can be used for yourself, used for marketing and promotions (i.e. contest giveaways or video demonstrations), or simply sold to a customer. This means there is no cost to you to be a SLS Professional Distributor- just a way to make even more money while doing what you are already doing!
